## Corkscrew Swamp Sanctuary

Our members are our lifeblood. While the unprecedented closure of the Sanctuary was necessary for the health and safety of our staff, volunteers, and visitors, we realize it may have also caused some inconvenience. We have greatly appreciated the patience and support of our members during this time.

If you would be able to renew your membership on your regular annual renewal date, we would be grateful. With the loss of membership and admissions income at the Sanctuary due to the shutdown, Corkscrew is in need of your help now more than ever. If you are able, renewing your annual membership on your regular date would have a significant positive impact for the Sanctuary.

For any of our members wishing to recuperate time they have lost due to the shutdown, they may submit a request for extra guest passes by emailing [Kathleen.Howle@audubon.org](mailto:Kathleen.Howle@audubon.org).

Passes may be used for member visits after their expiration date, or, if memberships are renewed on time, passes can be used to bring extra friends along on future visits.

We sincerely look forward to welcoming everyone back to visit and enjoy the boardwalk again soon.
