

## Super Ghost Orchid 2014 Activity

November 24: 1 flower

November 16: 1 bud

November 2: 2 flowers

October 23: no flowers

October 19: 1 flower

October 16: 1 bud

September 16: 2 flowers

September 14: 1 flower

August 25: no flowers, 3 seed pods.

August 22: 6 flowers, 3 seed pods.

August 21: 9 flowers, 3 seed pods.

August 17: 9 flowers, 3 seed pods.

August 13: 4 flowers, 5 buds, 3 seed pods.

August 12: 10 flowers, 5 buds, 3 seed pods.

August 9: 11 flowers, a few are munched on. 5 more buds getting closer to opening. You can also see the 3 seed pods formed from the June/July flowers.

August 6: 7 flowers, some are munched on.

August 3: 7 flowers are now open, but something is starting to eat them. A few other buds are close to being ready to bloom.

July 26: No blooms, but 14+ buds!

July 24: There are now only 2 fresh looking flowers from the first blooming. RJ Wiley shared his detailed photo which he took yesterday and from that we can tell that it now has at least 14 new buds, most are still fairly small, but one may open soon! The Super Ghost is working on its second bloom!

July 23: A couple of blooms but most have shriveled, but 6 new buds are now visible!

July 21: There are still a few blooms but they are starting to yellow and shrivel up

July 14: 14 flowers in bloom, some are starting to turn yellow

July 12: 12 flowers in bloom

*July 10:* 14 flowers

*July 9:* 13 flowers in full bloom

*July 8:* 12 flowers in full bloom

*July 6:* 15 flowers in full bloom

*July 5:* 15 flowers in full bloom

*July 3:* 11 flowers in bloom

*July 2:* 8 flowers in full bloom, 1 flower starting to crinkle up and turn yellow

*July 1: Morning:* Six flowers in full bloom, later in the day 3 additional flowers had started to open, and the first one that bloomed is starting to fade.

*June 30:* Five flowers in full bloom

*June 29:* Five flowers in full bloom

*June 28:* Three flowers in full bloom

*June 27:* Two flowers in full bloom. A few more buds look like they will open sometime this weekend and more sometime next week. We will keep you posted with any further developments.

*June 26:* One flower in full bloom.

*June 25:* 20 buds, the first of the season.
